

# **Team Sport Dentistry Training Guide**

1. Training Leader, Practice Champion and/or Doctor should listen to the training and read through the guide prior to training the team
2. Set aside time for team members to train as a group and schedule this meeting on the calendar
3. Make copies of the Position Priorities and the Team Sport Dentistry Workbook for any team member who will participate in the training
4. Play the webinar DVD (approximately 1 hour)
5. Follow along with the webinar using the Workbook. Pause to discuss any major points or topics that need to be addressed further and take notes as needed.
6. Complete the Position Priorities worksheet as a team. Fax one completed copy of this to Tyrella at (615) 807-3290.
7. Once training is complete, have a group discussion about what you have learned. Take notes and make a list of major breakthroughs and items that you will implement in your practice.
